

# Response to Intervention (RTI)

December, 2016

Presented by: Corinne Mesmer

# RTI Demographics

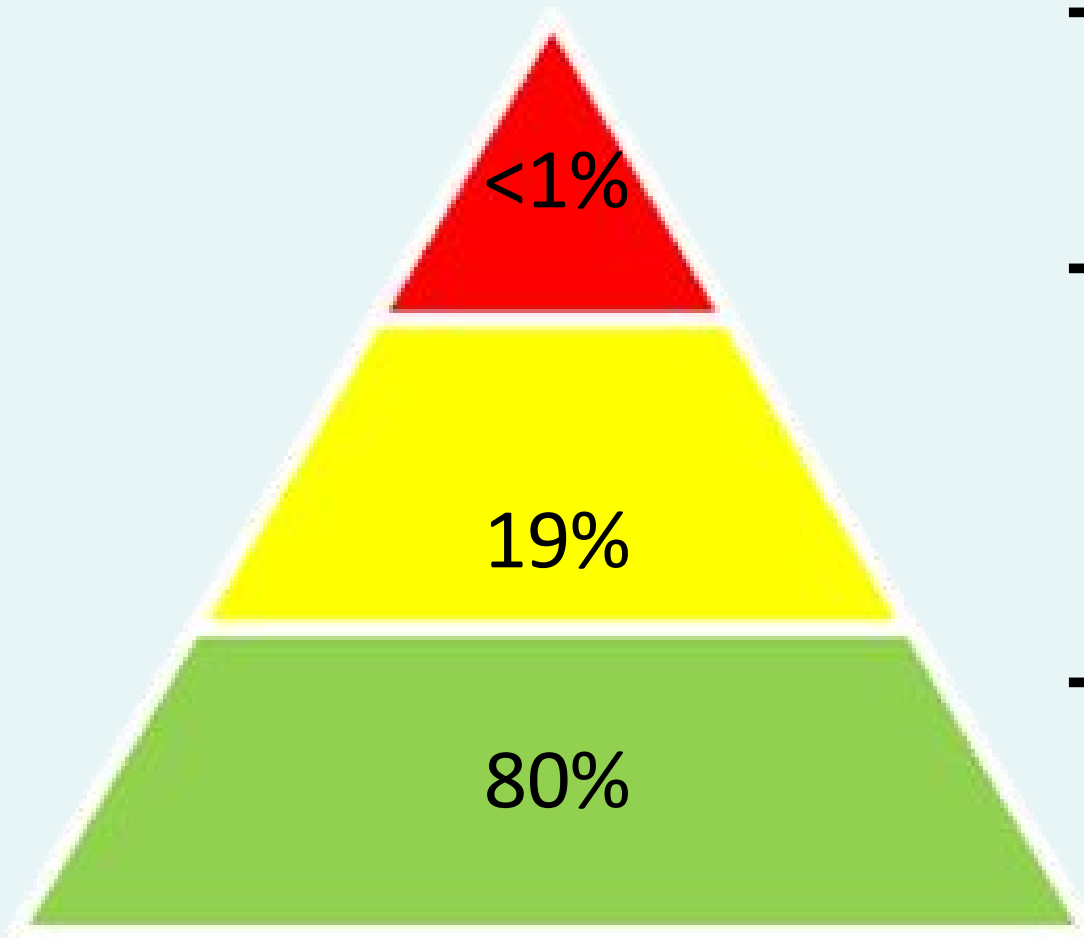

- 387 students (20 Preschool) = 367 students K-6
  - 28 students - Special Education/Supplemental
  - 339 - Regular Education
  - 65 Students have been provided with Tier 2 interventions this year (19% of student population out of 339 students).
  - 54 Students have received services in ELA
  - 11 Students have received services in Math, which includes i-Ready and teacher led intervention.
- **25 % of total student population K-6 (Supplemental & Tier II)**

# RTI Demographics Continued...

- 45 (13% out of 339 students) students are receiving the i-ready online instruction in the area of reading or math.
  - 17 Students receive i-Ready ELA
  - 34 Students receive i-Ready Math
  - 21 of these students receive i-Ready instruction 2 days per week during the RTI block. The other days they are able to attend the enrichment opportunities (6%)
  - The remaining students receive i-Ready as a Tier 1 intervention in the classroom.
- 1 Student has been provided with Tier 3 interventions

\*\*In grades 1-3, 86% of students are reading on grade level. Kindergarten- 3, 76% of students are reading on grade level.

# What does that mean?

## Tier 3

1:1 Intervention with Reading Specialist

## Tier 2

ELA: Leveled Literacy Intervention Foundations

Math: i-Ready online and teacher directed lessons

Small group instruction:  
3 to 6 students

## Tier 1

Best Practices  
i-Ready online Math  
i-Ready online ELA  
Reflex Math

# Changes to 2016-2017 Program

- i-Ready ELA (20 licenses)
- Addition of i-Ready online 2 days per week during the RTI block for students who do not need 5 days of intervention.
- Additional interventionist (13 total)
- Increased training time through restructuring of data meetings
- Use of Grade Level Teams to effectively communicate with all teachers - not just interventionist.
- I&RS Work Session- Tier I interventions
